Chapter Mission Statement

"To provide our chapter members with opportunities for education, resource sharing, advocacy, and professional networking as well as to promote and advance the profession's ethics, responsibilities, and expectations for the work of our practitioners as a service to our communities."

— Adopted by the Central Oklahoma Chapter, October 2, 2003

Speaker Biography— Nathan Keltner

Mr. Keltner leads and executes technical IT security audits, penetration tests, vulnerability assessments, risk assessments, and IT consulting engagements for Grant Thornton's Advisory Services Practice. Since joining Grant Thornton in January, 2007, Mr. Keltner has had the opportunity to focus on penetration testing and vulnerability assessments, leading engagements in Texas, Oklahoma, Kansas, and Arkansas. Nathan has direct experience assessing web application design and implementation, client application vulnerabilities, various Linux and Unix, Microsoft Windows (all versions), mainframe security (z/OS & RACF, IBM i), various database technologies including MS SQL Server, Oracle, and MySQL, wireless implementations, and many niche technologies in unique environments. Nathan regularly presents on information security subjects to various groups and institutions, including topics covering penetration testing theory, Microsoft Windows security, web application security, wireless security, and similar topics.

Prior to working for Grant Thornton, he was a Senior Information Technology Auditor with The Hertz Corporation in Oklahoma City.

Upcoming ISACA Training Opportunities

Register at <http://isaca.brighttalk.com/upcoming-events>. Archives of older e-Symposia are also available to members, and qualify for 3 hours of CPE each.

[2-6 March 2009 – Houston, TX USA](#)

[6-10 April 2009 – Nashville, TN USA](#)

Upcoming Local Chapter Training

Mar 12-13 PenTesting with Back|Track 4

WEBSITES:

Chapter:

<http://www.isacacentralok.org>

International:

<http://www.isaca.org>

<http://isaca.brighttalk.com>

This 2 day course taught by Jayson Street (last month's guest speaker) is a bargain at \$100 for members and \$125 for non-members. A flyer was sent out earlier, if you need another copy, it's available on the website under the event registration tab. Only 4 slots left!

President's Message

It's time again to consider nominees for the 2009-2010 ISACA Central Oklahoma Chapter board. To get us started in that direction, we're needing chapter member volunteers interesting in participating on the Nominating Committee. If you are interested in this opportunity, please send an email to pres@isacacentralok.org.

Also, please take time to review our local chapter positions to see if there is an area of interest you would like to serve. Descriptions of these and their responsibilities is located in our chapter by-laws (<http://www.isacacentralok.org/bylaws.htm>). <note> You must be an ISACA member in order to hold a board position.

A maximum number of 10 CPEs within an ISACA calendar year (Jan-Dec) can be awarded for volunteerism in support of ISACA activities.

Our education coordinator, Cory Nance, has lined-up some spectacular training at supreme cost savings. Thanks, Cory, for your creativity finding a means to bring our chapter affordable training in an time of economic struggles. Let's do our best as a chapter to support these opportunities by our attendance.

Regards,

Lisa Moorer, CISA
