### President's Message

Dear members:

As summer draws to a close, I'd like to welcome all of you, both those just joining us, and those who've been with the ISACA Central Oklahoma Chapter for some time. So to those who are new, welcome! And for those returning, welcome back!

I believe this will be another excellent year for us, and look forward to serving as your President this year. I believe we have an excellent administrative team this year, and we've already started planning for seminars and speakers for this fall. If you have suggestions for speakers or topics, we'd be happy to try and fit them into the upcoming schedule.

I also want to extend my thanks to the members of last year's board for their service, and the assistance they've provided to me and the other incoming board members.

I hope to see you in September!

Best Regards,

Girard Jergensen, CISA, President
